

NEXT GENERATION TRAINING

Address:

The Media Centre
Office LG33
Lord Street
Huddersfield
HD 1 1RL

Above is the main Media Centre building and reception. This is NOT the building where we are based! This building is only open Mon-Fri 9am-5:30pm.

This is the building where we are based. This is just further on Lord Street and opposite the open market and more towards Tesco.

You need to buzz office number 33 to be let through the first door and then wait to be let through the second door.

If you need a long stay car park, we suggest this one which is £4 per day and only a 3 minute walk away from our Media Centre building.

St George's Quarter, Fitzwilliam Street,
Huddersfield HD1 5BB

Once parked you walk right from the car park and down Fitzwilliam Street, turn right and walk under the railway bridge and then left on to Brook Street and then the 3rd right which is the last right on to Lord Street. We are the first building on your left.

We are only a 3 minute walk from Huddersfield train station. If you are coming from Leeds/Manchester or elsewhere this is a great way to travel and access us in Huddersfield town centre.

Just walk straight down from the train station to Northumberland Street and take your third left on to Lord Street and you will find our building which is the second on the right.
